8) Enter Country of residence
9) Answer the following questions accordingly

* Are you interested in the option of receiving Continuing Education Unit (CEU) credit for completed CITI Program courses?

CITI is pleased to offer CE credits and units for purchase to learners qualifying for CE eligibility while concurrently meeting their institutions training requirements.

CE credits/units for physicians, psychologists, nurses, social workers and other professions allowed to use AMA PRA Category 1 credits for re-certification are available for many CITI courses – with that availability indicated on course and module listings. Please register your interest for CE credits below by checking the “YES” or “NO” dots, and, when applicable, types of credits you wish to earn at bottom of page. Please read texts entered for each option carefully.

Yes

At the start of your course, you will be prompted to click on a "CE Information" page link located at the top of your grade book and to VIEW and ACKNOWLEDGE accreditation and credit designation statements, learning objectives, faculty disclosures, types, number and costs of credits available for your course.

○ Yes
CITI Program IRB Training

The CE functionality will not be activated for your course. Credits and units will therefore not be available to you for purchase after you start your course. You can change your preference to “YES” before such time however by clicking on the “CE Credit Status” tab located at the top of your grade book page.

- No

If you picked “YES”, please check below the one type of credit you would like to earn

- MDs, DOs, PAs - AMA PRA Category 1 Credits TM
- Psychologists – APA Credits
- Nurses – ANCC CNE
- Other Participants – Certificates of Participation
- Social Workers – Florida Board of Clinical Social Work, Marriage & Family Therapy and Mental Health Counseling

* Can CITI Program contact you at a later date regarding participation in research surveys?

- Yes
- No
- Not sure. Ask me later

* Can CITI Program contact you at a later date with marketing information?

Question 4

Laboratory Animal Welfare

Do you conduct studies that use Lab animals?

1. If YES, then you must complete the Basic course and the appropriate species specific modules.

2. If you are an IACUC Member you should complete the "Essentials for IACUC Members".

3. Choose the appropriate species specific electives according to your research interests.

Choose all that apply

- "Working with the IACUC Course" is required if you plan to use lab animals in your work.
- If you are an IACUC Member you are required to complete the "Essentials for IACUC Members" course now.
- Antibody Production
- If you plan to conduct studies that have the potential to cause "more than momentary pain and distress" in Mice or Rats you should complete the module on "Minimizing Pain and Distress".
Choose the appropriate species specific electives depending on your work or interests.

- I work with Mice. Family: Muridae Cricetidae
- I work with Rats. Genus: Rattus
- I work with Frogs, Toads or other Amphibians
- I work with Hamsters. Family: Muridae
- I work with Gerbils
- I work with Guinea Pigs
- I work with Rabbits, Family: Leporidae
- I work with Cats
- I work with Dogs
- I work with Swine
- I work with Non-Human Primates (NHP)
- Working With Animals In Biomedical Research - Refresher Course
